TIMES ALL INDIA ENGINEERING INSTITUTES RANKING SURVEY 2023

The objective of this research was to identify and rank Top Engineering Institutes in India. The research had 3 major modules i.e., Desk Research, Factual survey & Perceptual Rating survey followed by scientifically developed analysis & ranking process.

TOP 170 ENGINEERING INSTITUTE RANKINGS 2023

Name	Rank	Name	Rank
Netaji Subhas University Of Technology, Delhi	1	HKBK College of Engineering, Bengaluru	49
SRM Institute of Science and Technology, Chennai	2	NIST Institute Of Science And Technology, Berhampur	49
Siksha 'O' Anusandhan, Bhubaneswar	3	Thakur College of Engineering & Technology, Mumbai	50
Koneru Lakshmaiah Education Foundation (Deemed To Be University), Vijayawada	3	NSHM Knowledge Campus, Durgapur-GOI, Durgapur, WB	50
Sathyabama Institute Of Science And Technology, Chennai	4	Shri Ram Institute Of Technology, Jabalpur	51
B.M.S. College of Engineering, Bengaluru	5	JECRC University, Jaipur	52
Amity School Of Engineering & Technology, Noida	6	RV College Of Engineering, Bengaluru	53
Institute Of Engineering & Management (IEM), Kolkata	7	Terna Engineering College, Mumbai	54
REVA University, Bengaluru	8	Atharva College Of Engineering, Mumbai	54
Hindustan Institute Of Technology And Science (Deemed To Be University), Chennai	9	Narasaraopeta Engineering College (Autonomous), Narasaraopet, AP	55
Chaitanya Bharathi Institute Of Technology, Hyderabad	10	Xavier Institute Of Engineering, Mahim	56
IcfaiTech, Hyderabad	10	Mahatma Gandhi Mission'S College Of Engineering And Technology, Kamothe Navi Mumbai	56
Dr.M.G.R.Educational And Research Institute, Chennai	11	Prathyusha Engineering College, Tiruvallur, Chennai	57
Vels Institute Of Science Technology And Advanced Studies (VISTAS), Chennai	12	A C Patil College of Engineering, Navi Mumbai	57
SVKM's Dwarkadas J. Sanghvi College of Engineering, Mumbai	13	Datta Meghe College Of Engineering, Airoli, Mumbai	58
Rajalakshmi Engineering College, Chennai	14	Universal College Of Engineering, Mumbai	58
Sharda School Of Engineering And Technology, Sharda University, Greater Noida	15	CMR Institute Of Technology, Bengaluru	59
Pimpri Chinchwad College Of Engineering, Pune	16	Gita Autonomous College, Bhubaneswar	60
AMC Engineering College, Bengaluru	17	Muffakham Jah College Of Engineering And Technology, Hyderabad	61
Hindusthan College Of Engineering And Technology, Coimbatore	17	World College Of Technology And Management, Gurugram	62
IMS Engineering College, Ghaziabad	18	Ganga Institute Of Technology And Management, Bahadurgarh, Delhi-NCR	62
K J Somaiya College of Engineering, Somaiya Vidyavihar University, Mumbai	18	Institute Of Aeronautical Engineering, Hyderabad	63
Institute Of Engineering & Technology, GLA University, Mathura	19	Roorkee College Of Engineering (RCE), Roorkee, Uttarakhand	64
Galgotias University, Greater Noida	19	Poornima Institute Of Engineering And Technology, Jaipur	65
C. V. Raman Global University, Bhubaneswar	20	CT University, Ludhiana	66
Amity School Of Engineering & Technology, Gurugram	21	Malla Reddy College Of Engineering & Technology, Hyderabad	66
School Of Engineering & Technology, Apeejay Stya University, Gurgaon	21	Vidya Jyothi Institute Of Technology, Hyderabad	67
Anurag University, Hyderabad	22	Vignan Institute Of Technology And Science, Hyderabad	67
Gokaraju Rangaraju Institute Of Engineering And Technology, Hyderabad	22	Don Bosco Institute Of Technology, Bengaluru	68
G.L. Bajaj Institute Of Technology & Management, Greater Noida	23	Saraswati College Of Engineering, Kharghar, Navi Mumbai	68
R.M.K Engineering College (An Autonomous Institution), Chennai	24	R.M.K College Of Engineering And Technology, Thiruvallur, Chennai	69
Chitkara University Institute Of Engineering & Technology, Patiala, Punjab	25	Dayananda Sagar Academy Of Technology And Management, Bengaluru	70
Kongu Engineering College, Perundurai, Erode	25	Shivalik Group Of Colleges, Dehradun	70
Sona College Of Technology, Salem	26	Gandhi Institute For Education And Technology, Bhubaneswar	71
BNM Institute of Technology, Bengaluru	26	All India Shri Shivaji Memorial Society'S College Of Engineering, Pune	72
		United Group Of Institutions, Prayagraj, UP	73
		Icfai Tech School, Dehradun	74
		International Institute Of Information Technology (IIIT), Pune	75

GROW YOUR CAREER WITH SKILL-BASED LEARNING

An extended perseverance and tenacity paved way to sow the seeds of quality academics in 1998, which resulted in the form of GLA Institute of Technology and Management. The journey initiated by Narayan Das Agrawal reached its pinnacle in the form of GLA University in the year 2010 through the UP State Legislative Act of 2009 (UP Act 21 of 2010). The University is recognised by UGC under section 2(f) as well as 12-B. GLA University has received several awards and accreditation which exhibit constant educational excellence. Atal Ranking of Institutions on Innovation Achievements (ARIIA), 2021 recognised GLA University in the band "EXCELLENT" under the category University & Deemed to be University (Private/Self Financed) (Technical) GLA University ranks between 101-150 band in University Category, 54th in Pharmacy Category and 151 to 200 band in Engineering Category by NIRF Ranking 2023. It has achieved a new milestone of receiving NAAC 'A+' Grade with 3.46 score which is the highest amongst all NAAC 'A+' accredited private Universities. It is approved by UGC, PCI, NCTE and BCI.

GLA University focuses on student centric, outcome-based, and holistic education with the mission of taking the students from local to global platform. The research-intensive environment which is conducive in skill-sets knowledge coupled with world-class education at affordable price makes the students industry-ready to face the challenges of the corporate world. GLA University renders education to more than 15000 students, at diploma, undergraduate, masters, and doctoral levels in various disciplines of engineering, management, commerce, legal studies, biotechnology, pharmacy, agriculture, education, science and humanities. More than 650 well qualified and experienced faculty members and more than 700 dedicated staff work full-time for professional as well as personal development of students. They have more than 110 acres lush- green, eco-friendly residential campus with more than 6,000 hostellers. With over 30,000 alumni all over the world, GLA University enjoys a distinctive synergy with the engineering, manufacturing, business and corporate world at national as well as international levels.

A famous proverb is apt over here which says, "Your house shall not be an anchor but a mast." Institute of Engineering and Technology holds computing and visualization, cyber security and forensics, data analytics. It offers artificial intelligence, machine learning, block chain and internet of things in collaboration with DCS, coupled with artificial intelligence and analytics in association with Intel and NEC, while transforming students' future perspectives from good to great.

GLA offers Choice Based Credit System (CBCS). It provides a 'bouquet' type approach in which the students can select courses of their choice, learn at their own pace, undergo additional courses and adopt an interdisciplinary approach to learning. Under CBCS, the students have a choice to choose from the prescribed courses, which are referred as core, elective, minor or soft skill courses and the entire assessment is grade-based on a credit system. The students acquire more scope to enhance their skills and undergoing projects and assignments, vocational training, including entrepreneurship. The system improves the job opportunities of students. Under this system there is shift in focus from the teacher-centric to student- centric education. CBCS allows students to choose inter-disciplinary, intra-disciplinary courses, skill-oriented papers (even from other disciplines according to their learning needs, interests, and aptitude) and more flexibility for students. It makes education broad-based and at par with global standards. One can take credits by combining unique combinations.

In assistance with the Department of Science and Technology of the Government of India, GLA is proud of its New Generation Innovation and Entrepreneurship Development Centre (NewGen IEDC), which aims to inculcate the spirit of innovation and entrepreneurship amongst the young students; motivate and support start-up creation through guidance, mentorship and support. They have 41 startup projects initiated by GLA University. Some of the recent startups are Crop Field monitoring using UAV, Smart Dustbin, Eye Blink, Fog Detection System, Smart Bag, E-Writer, and many more. It thrives to the Institution. With faculty already trained in various nuances of entrepreneurship, the presence of NewGen IEDC at GLA University is fostering vibrant entrepreneurial culture amongst the students. Many amongst the "Job-Seekers" would be converted into "Job-Creators" through the entrepreneurial route. The Vision is to catalyzse and promote development of knowledge- based and innovation-driven enterprises and promote employment opportunities amongst youth especially students.

GLA University germinates innovation, entrepreneurship and leadership qualities through innumerable practical, do-it-yourself, and experiential learning at local and global levels. They encourage and support students to think innovatively. GLA inspires and supports discovery, creativity, and innovation across all disciplines and at all levels. It is based on conducive teaching- learning eco-system. 49 International Academic Collaborations are coupled with 102 National Academic Collaborations for the global reach. Many prestigious companies, like Njuma Consulting, V2U Consultancy, Wipro, Microsoft corporation, Mu Sigma, Tekion Corp, Sbm Chemtech Llp, Adani Group, Synopsys India Pvt. Ltd, Silicon Labs Inc., Hexaware Technologies Ltd., Youngman India, Juspay Technologies, BYJU's, 83 Incs-Digital, Accenture, Tek System, Just Dial, Gemini Solution, Square Boat love to provide jobs and internships to their students, offering average salary of 7.24 Lacs with highest package of 55 Lacs per annum; and faculty members are requested to come and teach a semester of under-graduate and graduate level courses in the field of Computer Science and Software Engineering, for example GLA faculty was invited at Jacksonville State University, USA to deliver lectures in Jan-May 2018 semester.

GLA University ignites the spark with the presence of global luminaries like Prof H.C Verma (Padam Shri Indian Physics Maestro), Chetan Bhagat, Vivek Bindra, Gaur Gopal Das etc. Their 30,000 alumni are spread all
