

OBJECTIVE

Android is an open source mobile OS led by Google. This workshop introduces about Android, the fastest-growing mobile OS. The job opportunities in this stream are not only restricted to the manufacturing, repairing and maintenance of mobile handsets but also it provides a lot of career opportunities in mobile application development for software professionals. The objective of the workshop is to enable the participants to develop mobile applications on their own and to train them to use android studio IDE.

COURSE CONTENTS

- Introduction and Installation
- Android Application Design
- Android Application Programming
- Android Animation
- Android Databases
- Android Application with cloud
- Deploy Machine Learning(ML) Model on Android

FACULTY

Sessions will be handled by faculty members from KEC.

BOARDING AND LODGING

Accommodation and boarding if required will be provided in the college campus on chargeable basis.

COURSE FEE AND REGISTRATION

Details	Amount
Registration Fee	Rs 590 (including 18% GST) (Faculty & Students)
Accommodation and Boarding	Rs.250/- per day

- The registration amount (**Rs.590**) send through GPAY No/PhonePay No : 8760425765
- Participants can also bring their own laptops

HOW TO APPLY

The applicants should fill the google form link, <https://forms.gle/TqD4QRRRX7Et04uH8> for registration and send their applications in the specified format through their Principal / Sponsors to reach us on or before 02.05.2024. If selected they should confirm their participation in time.

SCHEDULED DATES

Last date for receipt of Applications : 02.05.2024
Intimation of Selection : 06.05.2024
Confirmation by participants : 07.05.2024

ABOUT THE COLLEGE

Kongu Engineering College, a leading research oriented institution with excellent facilities, is run by Kongu Vellalar Institute of Technology Trust and was established in the year 1984. The Programmes of the institute are accredited by NBA and the institute is accredited by NAAC with A++ grade. It is an autonomous institution affiliated to Anna University, Chennai. It consists of 167 acres of land richly endowed with beautiful Greenland. The college has completed 40 years of dedicated and excellent service to the people of India and abroad in the field of Technical Education. The college offers 17 UG Programmes, 7 PG Programmes and 16 Research Programmes in Engineering, Applied Sciences and Management. The National Institutional Ranking Framework (NIRF) of the Ministry of Education has ranked Kongu Engineering College with in the band of 101 to 150 in engineering category for the year 2023. Kongu Engineering College also participated in 2023 NIRF Innovation ranking and is positioned in the band of 51 to 100 under this category. The institution has established Technology Business Incubator (TBI) supported by Department of Science and Technology, Government of India in its campus. TBI@KEC has won the National Award, for the best TBI in India, presented by President of India. The institution has received research grants amounting to Rs. 31.64 Crores from various funding agencies like AICTE, UG, DST, SIR, DIT, MNRE, ICSSR etc and has also executed industrial consultancy work to the tune of around Rs.7.11 Crores

ABOUT THE DEPARTMENT

The Information Technology department occupies a prominent place in the chronicles of its academic history in Kongu Engineering College since 1998. The department has been consistently producing illustrious Engineering graduates of high caliber who occupy prestigious positions in the academic and industrial fields. The department offers B.Tech. programme and Ph.D. The department has also been carrying out many consultancy activities to industries. Besides teaching, the department is actively involved in research and conducting training programmes for students and practicing Engineers.

ABOUT THE LOCATION

The college is situated at Perundurai on the National Highway (NH 47) about 80 km from Coimbatore and 17 km from Erode. It is well connected by air, road and rail.
